The Secretary

Bharati Milan Sangha, Road No. 19, K.H. 51

Dear Friend,

You are aware of the fact that in some places adjacent to our club, a number of families are suffering from the problem of low voltage of electricity. In this connection we have selected after joint inspection with CESC to install one pole transformer just adjacent to the left-most statue of N. S. Bose in your play ground, which will not disturb anybody in playing in the field.

So we hope that you will give permission and no objection, thinking about the problem of the locality and benefit.

Thank you.

Yours faithfully,

SUBODH CHAKRABORTY

Councillor
